If you have any queries relating to fees please do not hesitate to contact our Fees team via [email](#) or telephone +44 (0)131 455 6120.

Fees and charges for all courses are subject to annual revision and are either due in full or a payment plan agreed at the start of the student's relevant academic session. The payment of fees is the responsibility of the student and in the event of a student's sponsor (Government or other) failing to make payment, the student will be held personally liable for payment.

You have been assessed as an Overseas student based on the information provided to us during the application process. If you believe this fee assessment is incorrect, you should complete a [Tuition Fee Assessment form](#) and return supporting documentation to the [Postgraduate Admissions team](#) within 28 days. In the event that information is later identified by the University or other partners such as Student Finance Authorities which

brings the assessment of fee eligibility into doubt, then the University reserves the right to revise its assessment of fee eligibility or to withdraw the offer we have made you.

A graduate discount is available for previous Edinburgh Napier University graduates. Please contact our [Finance team](#) directly to confirm your eligibility for this discount. For further information, please visit our [website](#).

If you require a Student Visa or are in the UK under a different immigration category, this offer is subject to you meeting the necessary Home Office immigration requirements for international students. If your immigration situation changes, including you coming to the UK, you must inform us of this so we can ensure you have the correct immigration advice. Failure to do so may result in your visa application being refused and you may not be allowed to enrol at the University. Information or questions regarding this matter should be sent to [our International Support Team](#).

Confirmation of Acceptance of Study (CAS)

To enable you to apply for a Student Visa, you will need a CAS number from the University. For further information on this please visit our [website](#). Once you hold an unconditional offer, then pay your deposit, please email CASPakistan@napier.ac.uk to request your CAS statement. Before the University will issue a CAS, we will check that you have the maintenance in place to meet the Student Visa requirements before you apply for your visa. This check will either take place by the Visa and International Support Team or by our colleagues overseas. In most cases, you will be contacted once you pay your deposit so please ensure you have your financial evidence ready or are in the process of preparing it. The evidence you are required to show is detailed on our [website](#) or you can contact our [Visa and International Support Team](#). You can also contact the CAS Team directly by telephone if you have any questions regarding your CAS: +44 (0) 131 455 2272. If you are applying from within the UK please contact the [International Support team](#) to make an appointment.

The payment deadline is **5pm UK time on Friday 6 December**. We reserve the right to change the deadline subject to the maximum number of deposits being received for any individual programme. Offer holders are encouraged to submit their payment as early as possible to secure their place.

The final CAS issue deadline is **Friday 13 December**.

Payment can be made now directly to the University Finance Office. If you are a sponsored student, funded by an officially approved sponsor as determined by our Finance team, the deposit will not be required and you should instead send a copy of your sponsorship letter.
